

# Great Southern Sports Talent Association

Supporting talented athletes and coaches

## Objectives

Help selected athletes and coaches in the region progress from sub-elite to elite level within their appropriate high performance pathway.

Identify opportunities to promote, educate and financially assist talented athletes and coaches throughout the region.

Support the development and coordination of courses and seminars aimed at talented athletes and coaches within the region.

Advise and assist sporting associations in implementing high performance pathways.

Identify key regional stakeholders and consistently work in partnership with them.
