MEDIA RELEASE

GSSTA Successful Coach Financial Support Application – JENNY CRISTINELLI

Jenny Cristinelli, from Tambellup has been successful in her GSSTA Application for Coach Financial Support in the sum of \$1,380.00 to assist her to attend the Advanced Netball Accreditation Course commencing on 16th October 2016 and is held over two weekends.

The Advanced Coaching Course is a Netball Australia accredited course aimed at educating and developing coaches in advanced coaching principles and practices as well as netball skills. This course forms part of the National Coaching Framework. This accreditation is a Netball WA requirement for future Head Coaches within Regions throughout the State. Jenny will become the second Advanced Accredited Coach in the Great Southern region.

The purpose of the Advanced Coaching Course is to enable the next level of coaching to be delivered regionally.

The GSSTA was formed to help the Great Southern athletes and coaches progress from sub-elite to elite level within their specific high-performance pathway. It does this by providing up to \$1000 for athletes and up to \$2000 for coaches.

Funding is also available to support regional talent development programs, through financial assistance to Regional Associations of up to \$5000.

The GSSTA is assisted by the Department of Sport and Recreation with funding from Regions for Royalties and sponsorship support from Bendigo Bank.
